It's our 30th time partnering with Sunny Worldwide Logistics (SZ) Limited. Still so happy with their service and on-time shipment. You will not regret anything when you choose them. Your parcels will be safe and will arrive on time. Jim, our agent, is very responsive too. They will be our long-time partner for sure. Do not hesitate and book with them already :)

Ocean freight sea shipping from China to Philippines ...

Sunny Worldwide Logistics (SZ) Limited made a way to pick up our goods on time from our suppliers even if it was last minute so that we can catch our shipping date. Jim, our shipping agent/account manager, is very proactive. She willingly resolved all our issues with delivery timelines. She also coordinates with our suppliers and this made work easier for us. Items were shipped on time and got to us here in the Philippines within just 8 days. When claiming our goods in the destination warehouse here in the Philippines, the process was very smooth and no hassle from our end. We were out of the warehouse in 30 minutes. Their customer service is also very nice, attentive, and they reply right away. We are very happy and have partnered with them more than 2 times already and we refer Sunny Worldwide Logistics (SZ) Limited to our friends and family who need a reliable and trust-worthy water cargo forwarder. They will now be our only shipping partner from this day on.

Why Choose Sunny Worldwide Logistics

| What you Concern | Our Solutions |
|--|---|
| 1. Suppliers disperse, logistics effect is difficult to unify | 20+ years experienced in concentration service, taking care of the goods more than the owner, the first-line on-site monitoring, real-time tracking feedback of the entire node |
| 2. The logistics cost is high, the industry quotation is uneven | Offering the best shipping solutions according to each case to save about 5% cost for you |
| 3. The strength of logistics channels is insufficient, and the transportation efficiency is slow, so it is impossible to track and inquire | Sunny is WCA members of global freight forwarding, less than 1% qualified enterprises in China, and vice presidents of Shenzhen Airlines Association |
| 4. The abnormal circumstances cannot be handled, resulting in cost overlay | In the event of an emergency, an emergency plan will be issued within 30 minutes, and the reasonable self-confidence will exceed the peers. |
| 5. Logistics company qualification cannot be verified, the safety of goods cannot be guaranteed | Exclusive freight forwarding of international famous enterprises such as Wal-Mart, Huawei, COSTCO, etc., at least 10 years. |
