China train shipping railway to Germany,France...

Josie Lin is really amazing. My goods were shipped and received ahead of time, thank you so much! It was so smooth that I was surprised last week the warehouse agent called me saying the goods are ready for pick up, Wow!!! Josie Lin is very effective, responsive and focused on her job. Looking forward to more shipping and long cooperation with you Josie Lin and Sunny Worldwide Logistics. Good job guys and keep it up!

Transportation process

☐ For beginners

If you don't know how to get a shipping quote, please provide us with the following information.

1. Decide on your shipping terms (EXW/FOB/ **Cisplatin** ...)
2. Select shipping method ([sea shipping](#)/ AIR shipping/ sea and air transport)
3. Provide a description of your product (restricted or hazardous product)
4. Provide weight and dimensions of each carton
5. Tell us the total number of cartons (pallet cartons or bulk cartons)
6. Provide a pickup address (supplier address or port name)
7. Share your shipping address
8. Get a quote

(Or just tell us your supplier's number and address in China and we can talk to them directly.)

Fill out the blank below and start your inquiry now!

☐ About us

[Sunny Worldwide Logistics](#) Shenzhen AVIC International Freight Forwarding Co., Ltd. was established in 1998 and is an international freight forwarding company in China. We provide one-stop services related to sea transportation, land transportation, air transportation, customs declaration, inspection, towing, CO, F/A, fumigation, insurance and other related services. With our experienced staff, your shipment will be smooth and worry-free.

We have 25 warehouses in China and are able to consolidate your goods from different suppliers and then arrange shipment in one go. Even if you require home delivery, we can accommodate you. Sunny is committed to solving shipping problems for customers and making their jobs easier. If an emergency occurs, a solution will be provided within 30 minutes. At the same time, we can provide at least 3 logistics solutions in case of any incident.
